EXPERIENCE

Freelance

Product Designer, 2017

Played role as a product designer for five different mobile apps. I worked directly with the clients to discuss their goals and aid in the extraction of requirements. Projects that I worked on: DenizBank İyi ki, Umay, WaReport, Camera Translator, PDF Scanner, Scrabble Game UI, Penster Docks (Pet Vaccination Scheduler),

Senkron Software

Senior Product Designer, 2016 - ...

Worked in collaboration with a team of developers as a solo designer. Projects that I worked on: Lapis Nova, Lapis Mobile, Lapis Business App, Kargopark App, Kargopark Carrier App, Senyonet App, Senyonet Yonetici App, Senyonet VAR App, Senyonet Web, Kargopark Portal, IK Portal, Senyonet User Portal

MobileCraft

UI Designer, 2012 - 2016

At first, worked on creating app store visuals and collecting and reporting feedbacks to improve user experience of mobile games. Later on, started to design mobile game user interfaces and interactions.

Nexum Creative

Design Intern, 2012 - 2013

Started my design career as an intern at Nexum. Worked on creating ad visuals and banners for Turkcell.
